EDUCATION

I.K. GUJRAL PUNJAB TECHNICAL UNIVERSITY, Kapurthala

B.Tech - Computer Science and Engineering - CGPA - 7.55

2022 – 2026

Kapurthala, Punjab

M.J.K college, Bettiah

intermediate - PCM - Percent - 69

2019 – 2021

Bettiah, Bihar

SUMMARY

Highly motivated Computer Science fresher skilled in Java, MERN Stack, and database technologies. Hands-on experience in developing a real-time video calling web application and a beautiful API-based MERN Stack website. Strong understanding of OOPS, DBMS, DSA, and Agile development methodology. Seeking an opportunity to start a career as a Software Developer and contribute to innovative projects in a reputed IT organization.

ACADEMIC EXPERIENCE

Full-Stack Developer ↗

December 2024 - Present

Role - Developer

ACADEMIC

- Gained hands-on experience in software development lifecycle (SDLC) through academic labs and course work.
- Practiced writing clean and structured code using Java and JavaScript during practical sessions.
- In team-based coding sessions, improving collaboration and version control using Git, GitHub.
- Followed Agile development methods such as sprint planning, daily stand-ups, and iterative development during classroom/group activities.
- Improved debugging, problem-solving, and algorithmic thinking through regular lab tasks and coding exercises.

PROJECTS

Home Rental and Booking Website ↗ | [MERN STACK](#)

Jan 2025

- Created a platform where users can browse stays, view details, and book accommodations.
- Improved user experience with advanced search, filtering, and dynamic rendering.
- Ensured secure data handling and smooth performance across devices.

AI-Powered Chat Interface (API Integration Project) ↗ | [MERN STACK](#)

MARCH 2025

- Developed a conversational web application using MERN Stack and integrated an AI text-generation API for dynamic responses.
- Implemented secure API requests, message handling, and real-time UI updates.

TECHNICAL SKILLS

Languages: JAVA, JavaScript, python

Technologies/Frameworks: HTML, CSS, React, MongoDB, Express, Javascript, Bootstrap

Developer Tools: VS Code, Git and GitHub
